VersaVu Keyboard Case for iPad Air, Black

THZ19201US

Overview

The Versavu Keyboard Case is one of the most versatile tablet cases available. The cover folds into a stand that rotates between portrait and landscape views. The Bluetooth keyboard enables you to use your device in comfort. When you're on the move, slide the keyboard into its slot and snap the case shut. Lightweight and stain-resistant, the Versavu Keyboard Case is ideal for any environment.

Features

- Bluetooth keyboard
- Rotates between portrait and landscape views
